

Hometown: Albuquerque, NM most recently

Undergraduate/Graduate/Other Degrees and Institution: Biology

Medical School: University of New Mexico

Medicine Interests and plans after residency:

Complex medical derm/derm oncology

Why did you decide to come to the U of M Residency Program?

IM/Derm combo program. Love both fields and I feel fortunate to have matched here! Everyone was very kind here on my interview.

What do you enjoy most about the program?

Hard to answer because there are so many great things--my colleagues, opportunities to travel abroad, and the city to name a few.

Languages spoken other than English:

Bulgarian

Furthest you've traveled from home?

Istanbul

Favorite Minnesota Activity you want to try?

Ice fishing

Coollest/Geekiest/Random thing about you?

I play piano, guitar, and the charango, with a touch of mandolin on the side

Your first job?

This one

If you weren't a physician you would be ____.

what Anthony Bourdain does...eat and travel
