Renal Grand Rounds
Thursday 11/29/2018 8AM-9AM
Room 105, 717 Delaware Street

Ethics in Nephrology

Dr. Ann Rinehart, MD

Objectives (3)

1. Understand the ethical principles of respect for patient autonomy, beneficence, nonmaleficence, justice and professional integrity that underlie medical decision-making.

2. Describe the fair process approach to manage dialysis or any other medical conflict.

3. Describe how a time-limited trial works and how it could be used with dialysis.

Accreditation Statement
In support of improving patient care, University of Minnesota, Interprofessional Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statements

American Medical Association (AMA)
The University of Minnesota, Interprofessional Continuing Education designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals
Other healthcare professionals who participate in this CE activity may submit their statement of participation to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.
